Caissa Pinot Grigio, Adelaide Hills

This wine shows aromas of melons and pears with a subtle hint of tropical and citrus fruits. On the palate the texture is very smooth, almost silk-like with overtones of almonds and acacia flowers, rich paw-paw, citrus and spice and just enough natural acidity to give a clean crisp finish.

The Gambit Sangiovese, Adelaide Hills

Dry, complex and layered, this wine is multi-faceted with cherry and cranberry fruit, leather and mineral notes, light tannin, and a long complex finish. Aromas of cherries and raspberry are enhanced by spice and violets.

En Passant Tempranillo, Adelaide Hills

The wine shows luscious mint & tobacco mingled with aromas of strawberry and raspberry. Masses of sweet ripe succulent cherry, currant, blackberry, and mulberry flavours, which should develop herb, olive, tar, spice and sometimes earthy characters with age.

Jeu de fin Sauvignon Blanc, Adelaide Hills

Hand crafted from small parcels of premium fruit from our Adelaide Hills vineyards the wine has a diverse bouquet of lemon/lime, gooseberry, mineral flint and light spice. This Fumé Blanc style has the wine fermenting in stainless steel and French Oak to develop its zesty flavours with a subtle grassy note that is complemented by a lingering finish of grapefruits and guava. Its tightly woven acidity gives this wine a crisp freshness and a subtle oak character that adds great complexity and depth.

Jeu de fin Shiraz, Adelaide Hills

Hand crafted from small parcels of premium fruit from our Adelaide Hills vineyards the wine is intensely aromatic with a bouquet of wild red berries and black pepper along with cinnamon and plums. The palate is rich, displaying fruits such as blackberry and cherry complementing the spicy backbone of liquorice and chocolate. A hint of savouriness gives the wine an extra layer of complexity with good tight acidity and smooth velvety tannins.
